

## Statistically, every car in America has a part from our plant!

### Veteran Friendly Employer

We are proud to employ many Veterans at Greystone. Our team appreciates your service to the nation and the experience you will bring to the team!

### Monthly Incentive Programs

All primary machining departments at Greystone have incentive plans that are paid out monthly. This program adds \$3.12/hr to your base pay.

### Career Growth Opportunities

No experience necessary! Join our world-class training system and learn how to become a machine operator in 90 days! We are looking for people who want to take on more responsibility.

### Monthly Morale Events

Celebrate the teams hard work and accomplishments monthly! Join us for Patriots games, Red Sox games, deep sea fishing and more!

### Employee Perks

A generous employee referral bonus is paid out to team members for help filling out current openings. Free monthly buss pass with a bus stop in front of the building.

Scan and apply today!

Greystone is a global leader in the production of high volume precision machined and plated components for the automotive, aerospace, defense and industrial markets. Specializing in safety critical machining, hard chrome plating, and anodizing, we take pride in developing innovative engineering solutions to difficult problems.

## Employee Benefits

Competitive pay and overtime available during the work week. Our average employee will add over \$10,600 to their annual income with overtime!

90-day reviews for all new team members. Chance for a 7% raise in your first 90 days.

Company 401k matching program. Match at 25% of your annual contribution!

Premium shift differentials for second and third shift employees. Add an additional 10-15% to your base pay!

Paid time off from day one! Receive holiday pay regardless of start date. All unused sick time is paid out at 1.5x your base rate at the end of the year.
